Specializing in singing for seniors!

Dear Recreologist,

JoAnne Mitchell, one of the best Senior's Singer/Entertainer on the Island, wants her chance to prove that to you!

JoAnne sings 30's and 40's favourites with ease, **Broadway** Show tunes with charisma and 50's rock and roll and light country with foot stompin' passion. Even Seniors who tend to shy away from organized events, pull their chairs a little closer to JoAnne.

Seniors are stunned when JoAnne sings their request right back to them from her **versatile repertoire**, and if by rare chance she doesn't have it, this time, they'll laugh to hear it sung, just for them, next time.

JoAnne dialogues lightly with her audiences and sings fluently in English and French, keeping her elderly listeners entranced. Spanish and Italian Seniors thrill to be included in her versatile repertoire too. A personalized specialty CD is now available.

Please take a moment to click the top right hand arrow on JoAnne's website link, www.jamvocals.ca and then give JoAnne the opportunity to present herself to you.

Below** is a short list of current residences who call JoAnne regularly for all seasons, holidays, birthday parties, anniversaries and so many other celebrations. She is flexible and will travel to your location to please her audience.
